Sam,

Congratulations to you and the entire Patti Engineering team on reaching your 25th anniversary! This is a significant milestone in your company's history and in such a demanding industry certainly one in which to be very proud. Your company is a respected leader of high-quality and reliable integrated solutions, as recognized by your CSIA certification and recent Control Engineering System Integrator of the Year award.

Patti Engineering and Phoenix Contact have a long history together. As a member of our authorized system integrator network, you continue to be one of our most valued and trusted partners. We appreciate your contributions, insight and business. We look forward to our next project together.

Again, congratulations. We wish you many years of continued success.

Sincerely,

Ron Baysinger
